

Let us help you **save** and **grow**, maximising **your business** potential

Global Action Plan are able to offer small to medium sized businesses fully funded environmental consultancy to enable them to increase profits and save money.

Services on offer include:

- Carbon and resource management
- Environmental Management Systems implementation (ISO 14001)
- Sustainable construction (including BREEAM)
- Eco service/product development
- Renewable energy

“KMR got in touch with Global Action Plan to assess and reduce our carbon footprint. Every part of their recommendation is being implemented. We would urge every business to get in touch with them and take their advice very seriously.”

Keith Malin, Director, KMR Audio, 2010

EU funded environmental consultancy

How we can help

- Reduce utility and waste disposal costs
- Calculate and reduce carbon footprint
